

Call for Workshops/Special Sessions

2015 IEEE International Conference on Logistics, Informatics and Services Sciences (LISS'2015)

27-29 July, 2015, Barcelona, Spain with satellite sessions in Beijing, China

<http://icir.bjtu.edu.cn/liss2015> or <http://www.upc.edu/liss2015>

Hosted by

The International Center for Informatics Research of Beijing Jiaotong University, China
China Center for Industrial Security Research of Beijing Jiaotong University, China
School of Economics and Management of Beijing Jiaotong University, China

Cooperated with

Universitat Politècnica de Catalunya BarcelonaTech, Spain
Informatics Research Centre, University of Reading, UK

Sponsored by

IEEE SMC
NSFC (National Natural Science Foundation of China)
K. C. Wong Education Foundation (Hong Kong)
Sino-EU Doctoral School for Sustainability Engineering (Program in Logistics, Information, Management and Service Science)
EU FP7 (7th Framework Programme)
Beijing Logistics Informatics Research Base
Key Laboratory of Logistics Management and Technology of Beijing

In order to strengthen academic exchanges and discussions on the latest fundamental advances in the state of the art and practice of logistics, informatics and service sciences, 2015 International Conference on Logistics, Informatics and Services Sciences (LISS'2015) will be held on 27-29 July, 2015 in Universidad Politècnica de Catalunya BarcelonaTech, Spain. This is to call for proposals for special sessions or workshops to simultaneously take place with LISS'2015.

Accepted papers, presented at the special sessions or workshops by one of the authors, will be published in the Proceedings of LISS'2015. Acceptance will be based on quality, relevance and originality. The conference proceeding will be published in CD-ROM with ISBN (IEEE Catalog Number: 36035 ISBN: 978-1-4799-1890-4), and which will be included in IEEE Xplore Digital Library. The Proceeding of LISS 2015 will be submitted for EI index coverage. The authors with excellent papers in conference proceedings will be invited to publish their academic thoughts and methods in some international academic journals indexed by SSCI/SCI or EI with high priority.

The topics of interest for the proposed special sessions or workshops include, but are not limited to:

◆ **Service Management:**

●Strategic Services Management ●Service Operations Management ●Service System and Service Network Design ●Service Personalization ●Service Cybernetics ●Quality-of-Service Assessment ●Service Product Design ●Service Revenue Management ●Service Innovation Management ●Service Supply Chain Management ●Service Information System ●Service Process Reengineering ●Service Purchasing and Supplier Management ●Service Marketing ●Public Service Management ●Financial and Insurance Service Management ●Education Service Management ●Healthcare Service Management ●Telecom Service Management ●Hotel Service Management ●Tourism Service Management ●Product Post-Sale Service Management ●Service Management of Transportation (Aviation \ Railways \ Highways \ Water (Passengers and Cargo)) ●Successful Case Study

◆ **Logistics Management:**

●Material Flow Theory ●Logistics Services Strategy ●Logistics Systems ●Logistics Cybernetics ●Logistics Informatics ●Logistics and Supply Chain Management ●Innovation and Logistics Services ●Supply Chain Management ●Low-Carbon and Logistics ●Low-Carbon Supply Chain ●Logistics Alliance ●International Logistics ●Regional Logistics ●Emergency Logistics ●Internet of Things and Logistics Services ●Logistics Service System Optimization ●Logistics Industry and Policy

◆ **Information Management:**

●ERP ●Accounting Information System ●Business Intelligence and Business Analysis ●Innovative Enterprise Digitalized Operation Mode ●Dynamic Supply Chain Planning and Management ●Enterprises Informatics ●Information and Communication Technology ●Internet of Things ●Internet Technology and Applications ●Customer Relations Management ●Digital Enterprise Infrastructure ●Enterprise Commercial Intelligence ●E-Commerce and E-Government ●Wireless Communications and Mobile Business ●Enterprise Information Resources Management ●Sensor Network and Internet of Things ●RFID Technology and Application ●Pervasive Computing and Intelligent Living Space ●Cloud Computing Theories and Technologies ●Collaborative E-Commerce Mechanism and Technology ●Network Marketing Strategy and Application ●Electronic Commerce Application and Benefit Appraisal ●Network Transaction, Trust Mechanism and Information Security ●Electronic Market and Intervening Mechanism ●Knowledge Management and Knowledge Sharing ●Organization Semiotics and Informatization ●IT Project Management ●Information Technology and Enterprise Sustainable Development Strategy ●Other topics on related enterprise management theory and application

◆ **Engineering Management:**

●Engineering Consultant Management ●IT in Construction ●Engineering Information System ●Informatics of Construction Industry ●Supply Chain Management in Construction ●Logistics Management in Construction ●Engineering Economics ●Project Management in Engineering
Other relevant management theoretic and application issues are welcome, especially successful case studies in the above area.

Guidelines for Submitting a Special Session/Workshop Proposal

Proposals for Workshops/Sessions Would Contain:

- (1) Title of Workshops/Special Sessions
- (2) Scope and Topics
- (3) Profile of Session Organizer(s) (including his/her photo)
- (4) Contact Info. (E-mail address and Phone Number)

Paper Submission and Review of Workshops/Sessions:

- (1) All Special Session/Workshop papers would be submitted through the online submission system <http://icir.bjtu.edu.cn/liss2015> or <http://www.upc.edu/liss2015>.
- (2) Each workshop/session could accept no less than 6 papers.
- (3) If the number of submissions OR the number of accepted papers OR the number of registered participants is less than 4, the organizing committee will be free to decide whether to cancel the Special Session/Workshop or merge with others.

Support for Workshop/Session Organizers:

- (1) The organizers will be awarded a certificate for their contributions to the conference.
- (2) The organizers will be selected to publish their academic thought and methods in the SCI or EI journals with higher priority.

Proposals Submission:

The organizers would submit their proposals to hjlan@bjtu.edu.cn (Dr. Hongjie Lan) and vicenc.fernandez@upc.edu (Dr. Vicen ç Fernandez Alarcon) before 31 March, 2015.

Important Deadlines for Workshop/Special Sessions:

10 March, 2015	Proposals for workshop/special sessions
31 March, 2015	Deadline for submission of full papers
15 April, 2015	Acceptance/Rejection notification
15 May, 2015	Final Paper submission and registration
27-29 July, 2015	Conference open

We appreciate that if you would like to forward this Call for Special Sessions/Workshops to those who might be interested in. For further information, please visit website <http://icir.bjtu.edu.cn/liss2015> or <http://www.upc.edu/liss2015> or mail to liss@bjtu.edu.cn.
